

Stage 3

Equipment and Description

General Information and Dimensions

Stage 3 is a white painted room with a parquet floor. Stage 3 has a width of 13.5 m and a length of 11,5 m. The height of the light grid in the middle of the room is 2.90 m. With the help of black curtains the room can be transformed into a "black box" (10 x 10 m). Black dance floor is available. Deliveries are made from the Klosterhof in the MuseumsQuartier without level differences but with a size limit of 1.90 m width and 2.00 m in height. There are no storage facilities in the theater or the outbuildings. It's possible to place the FOH in the room.
